Life is a Ball Public Charitable Trust

is a not-for-profit organization, that mentors economically disadvantaged children through sport by equipping them with invaluable life lessons and skills required to face the world.

SPREADING THE WORD

SOMDEV WAS invited to the **Go Sports Foundation's Athlete's Conclave**, to share his story and inspire the athletes of tomorrow. From playing sport professionally to post career opportunities, he covered all phases of an athlete's life. He shed light on LIAB and its work showing everyone how giving back to community is truly the way ahead.

INTER-CLASS EVENTS

REGULAR INTER-CLASS events conducted at our schools are definitely adding a buzz. The kids can be seen competing and having fun at it. Kabaddi is picking up, along with Kho-Kho, Volleyball and Football. Our coaches have identified talent and it motivates them to continue doing a good job. After all, we have always said **"GROW WITH SPORT"**

A YEAR GOES BY.....

THIS YEAR saw us spreading our roots to two new cities, Hyderabad and Mumbai. Reaching out to kids from all facets, making sure access to sport is provided to all is one of our goals. And with the support of our Donors, Volunteers and everyone else doing their bit we will get there. A big **THANK YOU** to all of them!

FROM ORGANISING events, doing talks about LIAB and the benefits of sport, exhibition games, teaching new sports, introducing kids to obstacle relay races and much more; this year has been quite a successful year with a lot of fun. And the new year only motivates us to do more for the kids and we're glad you're part of our journey. **LEARN. LOVE. PLAY.** Also, stay tuned to our social media pages to get your 2018 LIAB Calendar.

“LIAB gave me an opportunity to put smiles on the face of kids in the farthest village in the Himalayas.”
